Re: U.S. Divisional Patent Application
Serial No.: 10/602,408
Filed: June 23, 2003
Multi-Stage CDMA Synchronization with Parallel Execution

Dear Sir:

The above-identified Divisional application was filed on June 23, 2003 and included a check for \$750. Our Deposit Account was drafted on June 26, 2003 for \$564. We submitted a Petition for Refund on July 28, 2003 because \$750 should have been sufficient. This Petition for Refund was the last piece of correspondence that we have sent to the Patent Office.

Our Deposit Account was drafted again on October 2, 2003 for \$354 (\$84 for code 1201 and \$270 for code 1202). We do not understand why this amount was drafted since we have not submitted anything since the Petition for Refund in July of 2003. Therefore, please refund our Deposit Account, 18-1167, for \$354.

We also still await the refund for \$564 from our July 28, 2003 Petition for Refund. Please call me at (919) 854-1844 to discuss if you have any questions.

Sincerely,

Edward H. Green, III
